

ADVANCE CARE PLANNING TWO PART PROGRAM

FREE workshops for carers by Carers Victoria

Would you like to make an advance care plan but are unsure where to start?

Advance care planning is thinking about the care you would want if you became seriously ill and were not able to speak for yourself.

WORKSHOP 1

- Understand advance care planning.
- Begin to explore the health care options that are important to you.

WORKSHOP 2

- Go through the forms used to appoint a medical treatment decision maker and complete an advance care directive.
- Understand powers of attorney, guardianship and administration orders and the role of VCAT.
